Personalized Invitation

Mail merge template for a college event

Name: Bhavya Roll No.: 2610997603

Invitation Letter

Dear Aarav Sharma ,

You are cordially invited to attend the Student Skills Workshop organised by the Department of Computer Applications.

Date: 20 November 2026
Time: 10:00 AM
Venue: Seminar Hall

The session will include practical demonstrations, student presentations and a question-and-answer round. We look forward to your participation.

Regards,
BCPS Practical Team

To whom it may concern,

Mail Merge Procedure

- Create or open the recipient list in a spreadsheet with FirstName, LastName, Email and Course columns.
- In LibreOffice Writer, choose Tools → Mail Merge Wizard.
- Select the invitation letter and connect the recipient list as the address data source.
- Insert database fields where the «FirstName» and «LastName» placeholders appear.
- Preview several records, complete the merge, and save/export the personalized letters.
